The Dy Commr of Hassan proposes that the forms of registers of births & deaths submitted to the Dr office as vouchers to the mortuary returns, may be destroyed after a period of two years, being classed under Vital Statistics, instead of being preserved for a period of 20 years under the registers of births & deaths. Of the Deputy Commrs consulted, the Deputy Commrs of Bangalore, Tumkur (Mr C. S. Balasundaram Iyer) Shimoga & Kadur (Mr A. Subramanya Iyer) support the proposal while the Deputy Commrs of Mysore (Mr Chandy) speaks of mortuary returns & recommends their preservation for a period of 10 years, as they are very important documents in civil cases & in other marriage cases. The Deputy Commr of Chitaldrug (Mr Krishna Iyer) proposes that the term of preservation of the forms be fixed for a period of 8 years. The Dy Comr of Kolar Mr J. It would be quite sufficient if the foils of registers of births and deaths are preserved in the District Office for a period of 2 years. But before they are destroyed after the lapse of 2 years, it should be made sure that their counterfoils are secured and preserved in the Taluk Records by getting a report from the Amildars as to their having done so. The foils of registers of births and deaths for the years 1894-95 to 1904-05 are preserved in the Revenue records and those from 1905-06 up to date in the Local Fund Department.

Sir,

With reference to your letter No 4094/M1 95-12-0 dated 5-12-12 calling for my opirion re the preservation of Mortuary returns in the District office for a period of 2 years, I have the horor to state that these returns are important documents required in civil disputes as well as in Infant Marriage Cases The preservation of these returns for a longer period than two years appears to be very necessary to facilitate the production of copies of these in civil cases wher they cannot be had in Taluk offices The number of petitions that are being received in this office indicate that these papers are not properly maintained in Talvks, and instances are not uncommon to show that requisition from Magistrates are received for these papers for the disposal of cases under the Infant Marriage Regulation.

In these circumstances, I am of opinion that mortuary returns may be preserved in the District office for a period of 10 years.

It is learnt that these returns are destroyed when they are 20 years old

S I R,

With reference to your letter No. 4097/Ml 195-12-2 dated the 5th December 1912 calling for my views about the suggestion made by the Deputy Commissioner of the Hassan District that foils of birth and death registers received in the District Offices may be destroyed after a period of 2 years etc, I have the honor to state as follows -

1 The system of preserving these foils in the District office for a sufficiently longer period may operate as a sort of counter check against the same being tampered with and also facilitates the issue of certified extracts to the parties.

3 As for the period for which these foils may be preserved I am of opinion that it may be fixed at 8 years since these are often required for being produced in Infant Marriage cases.

4 Further, with regard to the enquiry as to how long these foils are preserved in the District Office here, it may be added that records are now being sorted as per instructions contained in Government order No.6405-13/Ml. 48-04-26 dated 27th January 1910 and that no foils have hitherto been destroyed.

enquiring how long the foils of registers

2 According to the practice now pre-
-vailing

prevailing in this District as statement is prepared in the Taluk office from the register of births and deaths kept there and sent over to this office every month for the preparation of the monthly returns to the Sanitary Commissioner

3. The statements so received, being only copies of the original registers maintained in Taluks, the period of 2 years suggested by the Deputy Commissioner, Hassan District for their preservation seems sufficient

4. It may be stated in this connection that foils of mortuary registers are not being received in the District office here. The previous reference shows that their submission to District Office was ordered to be discontinued in the year 1900 in circular No 17 dated 18 12 1900

Sir,

With reference to your letter No.4092/Ml.195-12-2 dated 5th December 1912, enquiring as to how long the foils of Registers of births and deaths received along with the Mortuary returns are preserved in this office &c., I have the honor to state as follows:--

2. The foils of these registers are collected by the Shekdar in the first instance, from the patels of the villages at the end of each month, after returning the original registers to the ---- latter, and all the foils of the hobli are forwarded by him to the Taluk Office with a perist. The statistics of the several hoblis of the Taluk and of the Municipal Town are consolidated ———

in the Taluk office and a statement showing statistics hobliwar and for Municipal town is submitted to the District office by the respective Amildars, who retain the foils in question with their records. These, in turn, are consolidated in this office under the marginally noted two heads Talukwar and a monthly mortuary return for the whole District is submitted to the Sanitary Commissioner.

1. Municipal Town
2. Rural area.
of the Taluk

3. From the procedure detailed above, it will be seen that the foils in question are not received in this office but are preserved in the Taluk offices as per standing orders on the subject.

4. Anent the recommendation of the Deputy Commissioner, Hassan District, to destroy these foils after a period of two years, I beg to point out that, as it is very likely that a patel might lose his counterfoils, I am of opinion that the foils are not to be destroyed as much valuable evidence in Criminal and Civil cases may be lost, if these foils are destroyed and the counterfoils lost as well.

Order thereon

No. 9381-gml 1951-12-9265 13

The Deputy Commrs of Bangalore, Tumkur (Mr CS Balasundaram Iyer) Shimoga & Kadur (Mr A Subrahmanya Iyer) support the proposal made by the Dep.ty Comr of Hassan viz that the forts may be destroyed after 2 years The Dy Comrs of Mysore & Belgaum (Messrs Chandy & Krishna Iyer) consider that the forts should be preserved for longer periods viz 10 yrs & 5 years respectively. The Deputy Comr of Kolar (Mr P & Bowring) considers that on account of their incidental value they should be preserved like the originals

From the replies received it is also learnt that the uniform practice is not followed in regard to the submission of fords to the Dt offices. It is reported that in the Bangalore, Kolar & Kadur Dts, the fords are not submitted to the Dist offices.

Recognising the necessity for their longer preservation & with a view to secure uniformity of practice, I am directed that these kinds of registers be invariably submitted to the Dt offices and that such kinds should be prescribed for 10 years.
